“East Coast Kabuki Conference”
Please respond by May 15, 2015

1. For more information about Kabuki Syndrome: Kabuki Syndrome Network – <http://kabukisynndrome.com/>
2. To donate to breakthrough Kabuki Syndrome research: <https://secure.jhu.edu/form/givenow>
Choose “Other” under “designate my gift” and specify in your check memo that the money is to go to “Dr. Bjornsson” or “Kabuki.” If you do not specify where you want your donation to go, the institute will simply absorb the money and Dr. Bjornsson will not receive it.
